Great. Thank you so much. We don't have to worry about this for ten more years.

Hello Board Members,

So I have some very good news to share.

As of this afternoon, the petition count is over the 50% requirement needed by the City Clerk's Office.

Don is finalizing the count with the City Clerk so that we can move into phase two which is the election phase of the recertification.

This also means that the scheduled emergency meeting on Friday, April 4th is no longer necessary. I would like to cancel this meeting if it's alright with all of you.

Great work everyone.

Sincerely,
